Kristine Laudadio Devine is a partner at HWG LLP, where she represents clients in communications-related transactions and negotiations as well as private company mergers and acquisitions.

Communications Agreements and Transactions

Kristine has extensive experience preparing and negotiating commercial agreements for communications, broadband, and subsea cable companies, and assisting clients in obtaining federal, state, and local regulatory approvals for transactions. She has represented clients negotiating utility pole attachment agreements, subsea cable landing and IRU agreements, joint trench agreements, dark fiber leases, wireless tower leases, and transition services agreements related to mergers, acquisitions, and divestitures. Kristine also represents private companies engaged in mergers, acquisitions, and other business combinations in the cable and satellite programming, television and radio, information technology, and public relations and advertising industries.

Regulatory Advocacy and Compliance

Kristine counsels and advises clients on a variety of regulatory issues before the Federal Communications Commission (FCC), other federal agencies, and state regulatory bodies. She also assists clients in developing and implementing regulatory compliance strategies.
